

# HAPPY NEW SCHOOL YEAR!

Made lovingly by [CrazyAdventuresinParenting.com](http://CrazyAdventuresinParenting.com)

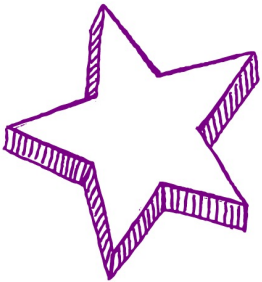

The night before school is exciting and fun.  
There are always so many things to be done.

Your clothes are ready, your backpack is, too.  
Your classroom is full of fun things you will do.

There are so many questions that go through your mind.  
Who will you meet? What friends will you find?

Sometimes, we all get the jitters down deep.  
Which makes it a little hard to fall fast asleep.

I've made you some magic confetti, it is really cool!  
It will help you be rested and ready for school.

Just place the confetti right next to your bed.  
On the night before school starts where you lay down your head.

The confetti will help you sleep through the night.  
You will wake up in the morning, all fresh and bright!

I'll sprinkle the confetti under my pillow, too  
Because I'm super excited for this new school year for you!

*Sweet dreams!*
